

Knowledge for business growth.

Professional Positions

As a leading firm of Chartered Accountants and Advisors and one of the largest accounting firms in Leinster, Byrne Casey & Associates, have a number of vacant professional positions at this time. You will help us to meet the compliance and financial requirements of our expanding client base in various business sectors and work to continue grow our footprint nationally, providing specialised professional services. You will be joining a busy and vibrant team, giving you the opportunity to put your knowledge and experience to the forefront of our growth strategy.

Company Secretarial Advisor

We require applicants for the position Company Secretarial Advisor. You will be responsible for managing a portfolio of corporate clients including compliance with statutory obligations and assisting on company law aspects of corporate restructures. This position will suit a candidate who is ICSA qualified or part qualified, who has a knowledge of Irish company law and familiarity with the Companies Act 2014. The successful candidate will work closely with our accounts and taxation departments and must have good communication skills with the proven organisational ability to work to tight deadlines, keep partners and clients advised of upcoming reporting deadlines and have the ability and desire to work on their own initiative.

Tax Consultants

This position is open to accountants or other professionals who are CTA or CTC qualified and have experience in a tax consulting role. The successful candidates must demonstrate an understanding of taxation legislation as well as a good working knowledge of the practice of tax planning and management.

Audit Seniors

This position is open to qualified or part qualified accountants who have a working understanding of accounting standards and auditing guidelines as well as a proven ability to bring financial accounts to manager or partner review stage.

Trainee Accountants

We require applicants for the positions of trainee accountants, commencing summer 2018, who have scored high academically and who wish to undertake a training programme and professional examinations which will lead to qualification and membership of the internationally recognised Chartered Accountants Ireland.
